Experience

- **News Central TV, Lagos Nigeria.** Mar 2019 - Present
Studio Technical Operator, Lighting Director and Manager, ENG Operator, Content Developer, Content Manager
At News Central TV where I am presently, I have successfully designed, rigged and managed the studio light set up, I got the best of what a television studio light should be with the resources available to me while helping to cut out unnecessary cost.

I also operate every News Central TV Studio and Equipments, ie, ENG's, PTZ, Communication Gadget for Internal and Live Field Production, Light and Light Console, Vision Switcher, Photographing, MCR etc. Preparing for LIVE programs and or recorded programs, participate by either Directing, Vision Mixing, Camera Operation, Photographing, MCR Operation or Sound Room Operation and of course my Light Console is a most.

Besides these I also create and develop shows ideas and script them for shot. In all this, I report what ever happens differently and keep them for reference incase of any eventuality.

- **Wazobia TV, Lagos Nigeria.** Feb 2015 - Feb 2019
Lighting Technician, Light Designer Rigger, Camera Operator, Content Creator
At Wazobia TV I initiated a solution that allowed us carefully removed some lights from Studio 1, Studio 2 and 3 Victoria Island, Lagos to Set up Studio 4 Lekki, Lagos Nigeria, by so doing, help is saving millions Naira for the company.

I achieved the design and rigging of the Ogbonge Show, lighting with a very minimal spending on lights bought and gave the show one of the best lighting design Wazobia TV ever and also cut down cost yet again.

I Manage and control all Communication Gadget for Studio and Outdoor Production, Lighting Control Console or Camera Operation, whenever I am on shift.

- **Rock Apostolate Media** Dec 2013 - Jan 2016
Media Manager
Working at Rock Apostolate was one beautiful time of my career, I set up the whole Rock Apostolate Media, from Camera Purchases, Set up, to Lighting Design, Purchase, Rigging, and Control.

I managed the whole department, I was specifically doing all lightning work, from the Reki to Installations and Integration and finally the Programming to the Light Control Console. No one else was allowed to touch the Console until I had finished training them.

I also monitor all Cameramen making sure their head rooms were okay and frames were accurate. I do a check before every shot starts to avoid grains and noise on their pictures. I keep records of all events and documentaries in a manner tha make it easy for the team to process whenever a fotage is needed no matter the year, date or time it was documented.

At end of 1 year, I was able to set up, trained about 8 people and help cut costs and deliver a work media department for less than half of the original fee they were billed.

- **Page/Concern Magazine** Feb 2010 - May 2013
Staff Writer / Videographer
At News Page/Concern Magazine, I was a staff Writer and my jobs were to go out source for stories, run interviews, investigate the the source and the put up a good story, I also doubled as a Videographer and Editor while I was at Concern Magazine when the needs arises.

- **JAA FILMZ**

Mar 2010 - Present

Director, Director of Photography, Light Man

At JAA FILMZ I take charge of every contract brought into the company, I outline the story from either the theme or the song, then draw the story board for the shot.

With limited people to work with, I would still have to work closely with the set Designer and do the lighting, styling and props myself.

- **Black Voice Europe Magazine**

June 2005 - Jan 2006

Event and Advert Executive

At Blackvoice Europe Magazine, my duties as an event and advert executive was to make sure every event we had to cover was properly covered and well detailed, also I was in charge of advertisement and its sourcing. I also took out time to engage in writing articles in my free time.

- **Silverose Production**

Feb 2004 - Dec 2004

Producer /Director, Script Writer

As a Director at Silverose Production, my duties were but not limited to putting up good stories, getting them screen played and making sure that every bit was well rehearsed before the event and or shot.

Silverose was my first major job in the Media industry apart and I made good the opportunity and still cherish those beautiful memories.
